We are currently accepting registrations for Kindergarten students for the Fall of 2017. Children who will be five years old on or before December 31, 2017 (born in 2012) are eligible to start Kindergarten in September 2017. Registration packages are available at the school office.

On Wednesday, May 31st we will be hosting a Kindergarten Orientation meeting at 4:30pm. This will be a chance for parents and the new Kindergarten students to meet school staff and receive important information about the Kindergarten program. If you have not yet registered for Kindergarten, you are welcome to do so that evening. Please bring your child's birth certificate and Sask Health card with you. If you have already registered, you will receive an invitation

Please share this information with friends and neighbours who are not currently receiving our newsletter.

2016-2017 School Community Council

Meeting Dates:

- Wednesday, May 3, 6:30 pm
- Wednesday, June 7, 6:30 pm

Upcoming Event: June 15th—Family Picnic—More information to follow

The Marion McVeety Community Council (MMCC) is always looking for new members. Coming to a MMCC meeting is a fantastic way to get to know the staff, other parents and see what's going on at McVeety. We encourage you to come out to one of the MMCC meetings and introduce yourself, share your ideas, and see how you can support your child's learning at our school. We'd love to meet you!

Stay out of No Parking Zones

FOR YOUR CHILD'S SAFETY— We would ask that you do not park or drive into the staff parking lot to drop off or pick up your child. Students are instructed to stay out of the staff parking lot as when staff are backing vehicles out of their stalls; little ones are sometimes hard to see. Please walk with your child using the sidewalks and not through the parking lot. Help us in keeping your child safe at all times.

Reporting Student Illness/Absences

Please contact the school office at 306-791-8492 if your child will be absent.
We make every effort to contact you if your child is absent and we haven't been notified. It is very important for families to keep the school updated with current contact information. If your child is sick, please do not send them to school while symptoms of the illness are still present.
